

Eagle's Nest Campership Request Form

Our Campership program is designed for families who cannot afford to pay the entire cost of camp tuition without assistance. Each year Eagle's Nest awards thousands of dollars of campership. This funding is given in light of economic status, family need, and the child's need for camp. Campership funds are available through monies budgeted by Eagle's Nest Camp and through the generous donations of members of the Eagle's Nest Community.

Please complete the entire Campership Request Form and return it soon. The deadline for requests is February 25th. We will review all applications at the end of February and will contact you soon after regarding your request. We will make every attempt to award a campership; however, please realize that funds are limited and there are many families who will apply for a Campership.
