

CCC Youth on a Mission...

St. Luke's Summer Mission Trip

Who? Rising 6th & 7th Graders (and their friends!)

When? July 26-30th, 2010, from 9:00 am to 1:00 p.m.

Why? Because we are the hands and feet of Christ and St. Luke's is a very important outreach friend to the Cathedral.

What will we do? With Caroline Rossini, youth minister, we will work at the day care center, sort food in the food bank, deliver meals on wheels, help in the "This 'N' That" store, and do service work in the St. Luke's community.

We also take time to pray, play games and get to know one another.

How much? \$ 65. The majority of the fee goes directly to a donation to St. Luke's Community Center.

Please sign up by April 25th, 2010
