

# Packing List

Please bring old, sturdy, inexpensive clothes. Laundry is done at Camp on a weekly basis during the two and three week long sessions. Hante and Added Adventure campers have an additional list of clothes and equipment (sent in April). Please refer to that list as well when packing for camp. Please label all clothing and toiletries. A suggested list is:

**One Trunk** --packed with complete inventory list of all camper's possessions taped to inside of the top. Footlockers can be purchased at your local "all purpose" store. We also work with C&N Footlockers (see address below). They make good quality, long lasting footlockers. Eagle's Nest families receive a discount. They will also put the Eagle's Nest logo put on your trunk if you ask.
