****Note: All Students must have their Security Deposit on file in the Office of Residence Life before any room assignment will be made. All Students will be required *to be official* before they will be allowed to check into Cumberland University Residence Halls for the summer term.**

Rollover of Deposit:

I understand that upon moving into Cumberland University's residence halls, I paid a \$200.00 security deposit which is fully refundable when I move off campus for the final time as long as there is no damage to my living quarters (including the bathroom and living area) or to Cumberland University property. In order to reserve a room for the upcoming school year the student must have his/her security deposit held and rolled over for the next Fall/Spring semesters. If there is no deposit in the student's housing file, \$200 must be submitted in order to guarantee a room reservation. This does not obligate the student to sign a housing contract but reserves a space for the student.
