

## Earn **Tuition Credit** with the **Kroger Gift Card** **Fundraising Program**

DCA PTO offers you an easy way to support DCA *& earn tuition credits* by shopping at Kroger. By using a reloadable gift card issued through DCA to buy groceries, prescriptions, & fuel, you're earning credit towards your child's tuition as well as providing funds for DCA!

Use the gift card like a credit card by swiping it to pay for your Kroger purchases. Easy! The amount of your purchase is then subtracted from the amount of money that is loaded on your card. Your new card balance is indicated on the register tape from your purchase.

Loading your DCA Kroger Gift Card is easy, too! Just ask a Kroger cashier or fuel station attendant to reload your card using check, cash, debit card, or credit card **before** you make your purchases. Your card can also be reloaded at the Kroger Customer Service desk. You can check the balance on your card at any time by calling the toll free number on the back of the card as well as checking the balance at the bottom of your register tape to determine when to reload your card.

Kroger Gift Cards must be obtained through DCA and are available at the DCA Business Office at the DCA main entrance or from the DCA PTO Secretary. You may also order Kroger Gift Cards when you place a Scrip order online. Each gift card is preloaded with \$5, so you purchase the cards for \$5.

DCA earns 4% each time you reload money onto your card. For example, if you reload your card with \$100, then DCA earns \$4, and **it doesn't cost you anything to participate in the program!** The PTO will divide these proceeds 50/50 between the PTO and your individual tuition account in the form of tuition credits if you are enrolled in the PTO's DCA Dollars program. See the DCA Dollars web page for more information on how to enroll. That means that **you will receive 2% of your Kroger reloads in tuition credits!**
