

Publix® Partners Program

Use your Publix Partners card every time you shop at Publix. When you check out, ask the cashier to scan the card before your purchase (or scan it yourself in the self-service line). **For every \$75,000 spent by DCA Publix customers at Publix stores, DCA receives \$500.** Checks are cut quarterly. Participants must earn \$500 in order to receive a check from Publix. Any amount less than \$500 is carried to the next quarter. If the amount exceeds \$75,000, the check reflects the amount spent. DCA Public Partners cards can be used at any Publix stores nationwide, so be sure to send cards to all of your relatives who shop at Publix.

Contact the DCA PTO 1st Vice President to pick up your DCA Publix Partners cards!
