

TENNESSEE ASSOCIATION OF MORTGAGE BROKERS

**The Tennessee Association of Mortgage Brokers** is the only statewide industry-supported association dedicated to advancing the knowledge and understanding of the mortgage broker profession. In doing so, TNAMB strives to educate and inform the public, legislators, and government agency officials regarding the many valuable services and benefits mortgage brokers provide to home loan borrowers.

TNAMB extends to industry the opportunity to benefit from the Association's leadership, organization, and standing by taking advantage of the Industry Partners Program. As an Industry Partner of TNAMB, you will benefit from specific advantages and services that will help strengthen your position in the marketplace and increase your market share.
