Steel string band
looking into logo'd cups
preparty at Beyond the Edge
barrsally@hotmail.com

Sam Davis financial report

We have the same amount of money this
Daniel Boone motioned to be accepted – motion passed

Lucy – Tree Report

Bellvue tree project – Jon Brenner took care of them (day of the flood) – a group took the trees and planted them in Bellvue in the original place they were planned. Want to use Rel check for \$125. We would like to donate that check to Jon Brenner.

Alternate idea: Due to flood damage the Harpeth nearly shut down. A company volunteered to fix the Harpeth at narrowws – They asked for \$300 reimbursment for diesel. This reopens Harris street bridge.

Discussion →

1. Use LLBean money designated for river access
2. We are here for river access and we should step up during this time of tragedy and do everything we can.
3. The accesses we have built have endured while others have not.

Motion made to give Jon Brenner \$125 plus 1 year membership and scholarship to Carol kayak school. Motion passed without further discussion.

River access – Should have state grant by next week, looking to sponsor boat day.
Access committee will pay for diesel project.

Conservation – House has \$ in budget for land acquisition and it is remaining
Call senator Doug Henry
Call finance committee to show support
→ Important because it attracts business
Roberta land fill → Discussion being studied. Re: Sandra Goss
We will have another

forevergreenTN
TN parks! Greenways

Community shares

River clean up → 4 clean ups for 2010

Make sure we focus on the homes being rebuilt before we do anything more than helping the rebuild project.

TSRA used 2 clean up days to help search for missing people

Time to solicit TWRA grants
Must have a “project champion” to organize the event
Due June 15th → Grant due
Lucy will submit
5 grants for 3 different parts of the state.

Minutes were accepted

Whitewater park in Murfreesboro

- Due to the floods Murfreesboro may face difficulty accomplishing this.
- What are the great ways to promote this as an attribute
- Look to spend up to \$3m
- There will probably be a pay for use facility
- Look for comparative information
- Hope for an emphasis on safety rather than grandeur
- This is being built in partnership with the Greenway

Jim McCool – See if he ? rescue

- 4 students registered
 - A number of fire fighters interested
 - 4 radmor rayero?
 - 4 Boy Scout leaders
- Wood and Charlie interested in getting instructor training
Harpeth River state park ranger interested in certification

Brochures → Need more sheets

TSRA → Has received many compliments:

- For our outreach during the floods
- Providing help in search and rescue

- Our member helped a doctor get to a baby delivery
- Received a request from a non member on how to fix his river bank

Motion Was made to adjourn – motion passed.
