**PAINTING BY**  
**JOSEPH K. PRESLEY**

*Treasure*

The special ambiance of a beautiful Swan Ball evening is captured by Nashville artist Joseph Presley in a delightful watercolor painted especially for the 2008 Auction. This one-of-a-kind original is dedicated to this year's Ball and yet suggests memories of other gala evenings at Cheekwood. Presley, known as Pepe to his friends, is a renowned local artist who paints landmarks and events in a distinctive style, capturing their unique qualities and spirit, in a way that is wry and distinctive, executed with great skill blended with a *souçon* of whimsy. Bid high to make sure that your wall is adorned with the *joie d'vivre* of an original **Joseph "Pepe" Presley** painting. It will make you smile ... and remember!
