Grocery Merchandising Association of Chicagoland

## Our Industry Celebrates Certified Grocers Midwest

The Grocery Merchandising Association invites you to join in a special evening reception honoring Certified Grocers Midwest. Since 1940, Certified Grocers of Illinois, as it was originally incorporated, has supplied independent grocers throughout Chicagoland, Northwest Indiana, and the Milwaukee area. During this time, Certified has employed generations of families both at their Central Avenue location and their Hodgkins distribution center.

We would like to say “thanks for the memories” and to thank Certified and their members for all they have done for the food industry of Illinois.

**Reception - Open Bar: 5:30 pm - 8:30 pm**

**Hors d'oeuvres • Carving stations & spreads: 5:30 - 7:00 pm**
