

# DDU – GROUP 4

|     | <b>ASPECTS</b>                             | <b>IMPACTS</b>   |
|-----|--|--|
| 1.  | Mixed Vehicle Fleet                        | Air Quality, Energy Usage, Raw Material Usage  |
| 2a. | 12,000,000 BTU Boiler (Energy utilization) | Air Emissions, Raw Material Usage, Depletion of Raw Material, Land/H <sub>2</sub> O Contamination                                    |
| 2b. | H <sub>2</sub> O Heater                    | Air Emissions, Raw Material Usage, Depletion of Raw Material, Land/H <sub>2</sub> O Contamination                                    |
| 3.  | Parking Areas - (NW side)                  | Air Emissions, Surface H <sub>2</sub> O Contamination  |
| 4.  | Fueling Station UST                        | Air Emissions, Raw Material Usage, Land/H <sub>2</sub> O Contamination, Surface H <sub>2</sub> O Contamination                       |
| 5.  | Catch Basins                               | Waste Management, Surface H <sub>2</sub> O Contamination   |
| 6.  | Vehicle Washing                            | Land/H <sub>2</sub> O Contamination, Raw Material Usage, Surface H <sub>2</sub> O Contamination                                      |
| 7.  | Oil Filter Changes & Used Filters          | Land/H <sub>2</sub> O Contamination, Accidental Spill, Waste Management  |
| 8.  | Brake Changes                              | Land/H <sub>2</sub> O Contamination, Depletion of Raw Materials, Waste Management  |
| 9.  | Painting                                   | Waste Management (Haz), Depletion of Raw Materials, Air Emissions  |
| 10. | Tires                                      | Depletion of Raw Materials, Waste Management, Water and Land Contamination   |
| 11. | Parts Cleaner                              | Air Emissions, Water and Land Contamination, Waste Management, Surface H <sub>2</sub> O Contamination                                |
| 12. | Anti-Freeze Changes                        | Waste Management (Haz) Land/H <sub>2</sub> O Contamination, Raw Material Usage, Surface H <sub>2</sub> O Pollution, Accidental Spill |
| 13. | Golf Carts                                 | Energy Utilization, Ground Water Pollution, Waste Management (Haz), Land/H <sub>2</sub> O Contamination                              |
