Mrs. Andrea Riddle, Room 102

Sylvan Park Paideia Design Center

## LIFESTYLE

Our Special Person this week was Izzy. She has 2 older siblings. I have known her a long time because I was her sister's kindergarten teacher 2 years ago. She has a puppy named Wookie. Some of her favorites: steak, the color blue, watching "Barney" & shows on the Cartoon Network, playing with her Barbies & glass dolls. She likes to go to Chef Yang's restaurant. When she grows up she would like to be a zoo keeper.

**SACK LUNCH:** Be sure on Thursday to send your child's lunch in a disposable bag. We do not want to have to carry lunch boxes around all day at the farm.

**DRINKS:** I will have a cooler to put drinks in so be sure your child's name is both their sack & also their drink.

**CLOTHING:** Your child does NOT have to wear standard attire. They need to wear jeans & old shoes please.
