Mission

The mission of Decatur Heritage Christian Academy is to assist families by providing their children with an education that is excellent and which instills Biblical principles to guide their lives.

Vision and Values

As the school fulfills its mission, it will stand as a lighthouse to those seeking a Christ-centered place of excellence in academics, activities, and athletics – a place from which students can then launch into adult life equipped with the character and skills to navigate successfully. The school seeks to be characterized by a four-fold commitment to integrity, relationships, spiritual and scholastic excellence, and a Christ-centered education.

The School

Established in 1995, DHCA is a non-denominational Christian school serving the greater Decatur area. The new campus consists of nearly 70,000 square feet of buildings located on 36 acres. Program divisions include the Lower School (K5-6th grade) and the Upper School (7th-12th grade). For the 2009-2010 school year, Lower School enrollment is 142 and Upper School enrollment is 170 for a total student body of 312 representing over 40 area churches. The current graduating class is comprised of 27 students.

Accreditation and Affiliations

The school is accredited by the Southern Association of Colleges and Schools (SACS) and is a member school of the Association of Christian Schools International (ACSI) and the Alabama High School Athletic Association (AHSAA).

Leadership

Headmaster, Upper School Principal	Mr. Scott Mayo
Lower School Chief Learning Leader	Mr. Jeremy Jones
Upper School Assistant Principal	Mr. Michael Holiday

Faculty

All faculty members are professing Christians, degreed, and meet SACS standards for qualification. They possess an average of 10 years of teaching experience and an average tenure at DHCA of 6 years. Of the 33 full and part-time faculty, 25% have advanced degrees.

Admissions

Selection of students is based on achievement as demonstrated in a standardized testing program, grades, the spiritual background of the family, and an interview with the site principal. Transferring students must be in good standing with their current school and must be at grade level academically.

Testing

All students in grades 3-9 are administered the Stanford 10 Achievement Test. School-wide average performance scores are in the 70th percentile nationally.

All freshmen and sophomores take the PLAN annually.

All sophomores and juniors take the PSAT annually.

Based on the PSAT, the 2006 graduating class contained one National Merit Finalist, one Commended Student, and one National Achievement Scholar.

The ACT scores for the classes of 2005 - 2009 resulted in an average of 23.0 with an upper quartile range of 35-26 and a middle 50% score range of 26-20.

High School Graduation Requirements and Course of Study

The Upper School operates on a seven period day, allowing for 28 possible credits over four years.
