Prayers & Praises

Kathy and Phil Thomason's friends **Jen Driscoll** and **Craig Bowman** have made progress with their cancer treatments. **Jen** has finished treatments and will have a PET scan in August. **Craig** is into several weeks of 100 crucial days of recovery and the doctors are pleased with his progress. Prayers are heard and we are thankful!

Rusty Groves has made some progress with her speech and is eating well. She recognizes those that have visited her. That's a **BIG PRAISE!** Keep Tobin and Rusty in your prayers as they will need our encouragement and love through this time of trial.

We were happy to have **Barbara Washington** back for worship last Sunday. Barbara needs our prayers of concern and encouragement as she continues to heal.

Betty Robertson is doing better. Give Betty your on going prayers for the comfort she needs at this time. We love her!

Jerry Spandrio is at the Fuller Ranch and is recuperating from his fall. Keep him and his family in your daily prayers.

Gloria Nowlin was with us for worship last Sunday and is improving slowly. Hold her close for the patience it takes as healing can take longer than we expect.

Darleen Hurbace is making progress but continues to be weak. Lift her up!

Praises to **Jim & Lynn Matthews** who are camping this weekend to celebrate their anniversary as they did on their honeymoon.

Hold those who are receiving cancer treatments close in prayer. **Beverly Wright, Myrla Baumann, Brad Walden, Jim Linley, Linda McGee, Pamela and Anna.**

Our prayers are appreciated for our missionaries around the world. Strong prayers for God's providence & steadfast love.

Our elderly need our continued prayers...**Vesta Thompson, John & Karina Robinson, Syble Lampkins, Mabel Smith, Don and Patsy Lindsey, Nick and Polly Nicholson, Bernice Johnston, and Margaret Haney.**

Pray for the life of the church. May the Father provide unity and a peace that will prevail.
