Todaycare Children's Center
Special Care Plan

1. **Describe your child's special need or injury:**

2. **Child's present function level and skills:**

3. **Child's present level of understanding of his/her illness/injury:**

4. **What emergency or unusual episode might arise while the child is in our care? How should we handle the situation?**

5. **Accommodations the facility might provide for the child:**

6. **Are there particular instructions for sleeping, toileting, diapering or feeding?**

7. **Will the child require medication while in our care? If so, list medications and the schedule to administer them.**

8. **Are special materials or equipment needed?**

9. **Other specialists working with your child? (occupational therapists, physical therapists, etc)**
