Dear Donelson Christian Academy Family:

To help you better manage your student's education expenses, Donelson Christian Academy is pleased to make the services of Tuition Management Systems available to you. Tuition Management Systems' Monthly Payment Option allows you to spread your student's education expenses over smaller monthly installments, which are paid over the course of the school year. Your cost to Tuition Management Systems is a \$50 enrollment fee.

The Monthly Payment Option at Donelson Christian Academy begins in May 2007 and ends in April 2008. This is a popular option with many of our families because it provides them with greater flexibility and control over their savings. Tuition Management Systems' services have helped over one million families nationwide afford education since 1985.

To take advantage of this program, simply complete the enclosed Enrollment Worksheet and return it to Tuition Management Systems in the envelope provided, along with your \$50 enrollment fee. You may also enroll on their website by visiting [www.afford.com](http://www.afford.com), or you may call them toll-free at 1-888-805-9817.

Once you enroll, Tuition Management Systems will bill you for monthly payments as they come due, or you may arrange to have payments automatically deducted from your bank account.

We look forward to helping you afford your student's education.

Sincerely,

A handwritten signature in cursive script that reads "Stephen W. Barkley".
