

Praxis II Content Area tests required of MAE Track II candidates.

Track II Applicants interested in Student Teaching at the end of their MAE program may submit evidence of passing scores on one or more of these Praxis II exams with their application material.

Applicants to Track II may be provisionally accepted to the MAE without these scores; however, they must submit evidence of passing one or more of these tests before the end of the second semester of their enrollment in the MAE. Failure to do so will mean the candidate will be switched to Track I and may complete the degree without licensure. Candidates may reapply to Track II once they pass the required exams.

The names of the exams contain links to information about the exams (PDF required).

Type of license sought:	Required exam (ETS test code):	Passing score
Biology 7-12	Biology: Content Knowledge (20235)	148
