

2011 DAY ON THE HILL

The Day on the Hill program, sponsored by the TBA Young Bankers Division, is an annual gathering that introduces future leaders from banks across the state to the legislative process. Participants will hear from members of the General Assembly, house and senate staff, and the TBA government relations team about the inner workings of Tennessee's legislative process and the issues facing the banking industry. Bankers also will observe committee meetings and floor sessions before having an opportunity to call on their own legislators.
