

Dear Friend of Nashville in Harmony,

Thank you for your interest in the Director's Circle.

Without a doubt, Nashville in Harmony is one of the most vibrant and exciting things happening in Music City today! Just think about the amazing growth we continue to experience, the significant impact we are already making in the community, and the level of musical excellence we have already attained! All because we are passionate about our mission to use music to build community and create social change.

The sustaining support of Director's Circle members is crucial to enable Nashville in Harmony to continue to accomplish our mission. As a member of the Director's Circle you join with others from around Music City and beyond who have a passion for change and a vision of a community in which diversity is embraced.

I urge you to consider a generous monthly gift -- to be in the inside circle of sustaining support -- as a part of the Director's Circle.

Thank you.

Don
