On The HomeStretch™ is an **internet radio talk show** that is sure to make the second half of your life better than your first.

On The HomeStretch takes a *real* approach to the life and health of today's 35+ listener – body, heart and soul.

Hosted by veteran broadcaster **Debbie Alan**, the show invites you to *"release the real you, embrace your deepest passions, and birth your best dreams"*.

Debbie Alan's credits include host of the internationally syndicated, *"America's Dumbest Criminals"* as well as the co-creator and original host of NewsChannel 5's *"Talk of the Town"* broadcast in Nashville, Tennessee.

Debbie's diverse broadcast experience has taken her to many exciting locations including the cockpit of a U.S. Air Force F-16. According to producers, columnists and viewers, her shows gained and maintained high ratings not primarily on the strength of their program content, but on the strength of Debbie's genuine and compelling personality. Click on the show and you'll see just how contagious her enthusiasm can be.

On her own home front, Debbie is a committed wife and mother of three who lives out her love of God and others with zest, warmth and passion.
