Prayers & Praises

Praises to our leaders who were able to work with our attorneys and the arbitrator to settle the lawsuits that were pending against the church and our former elders.

Rusty Groves has suffered a severe stroke. There is no hope that she will walk or sit, even in a wheel chair, again. Rusty has been moved to Camarillo Health Center, at 205 Granada, Camarillo, Ca. **Tobin** and **Rusty** not only need our constant prayers but they will need our encouragement and our love. Be called.

Gloria Nowlin is continuing to get better but needs to be careful. Keep Gloria and family in your prayers for complete healing. Thanks to all who are serving the family by bringing food.

Amy Wood would like prayers for family matters that have been very stressful on her husband **Ken**. Lift them up!

Darleen Hurbace continues to improve but is still very weak. Hold her close in your prayers.

Dana Timm was taken to the hospital because of severe stomach pain. The doctors have given her a colonoscopy to determine a diagnoses. Keep Dana and her family in prayer for a quick recovery.

Ginny Fuller's son-in-law **Jerry Spandrio**, (Annette's) husband is doing so much better and has gone home from the hospital. He is still having pain from the broken ribs. Lift him up in prayer for complete healing.

Barbara Washington is doing a little better after this second procedure on her shoulder and has been getting much needed rest. Prayers are needed here for relief from pain and strength for healing.

Earl and Donna Meyers both are enjoying much better health which allow them to take a trip from June 17 through June 28 to tour Washington DC and the surrounding areas. Keep them in prayer for traveling mercies and good health as they journey on!
