# 2010-2011 PEP Key Banker Nomination

YES  NO

As CEO or manager, I believe my bank should be actively involved in the community. I want my bank to be a part of the TBA's Personal Economics Program (PEP) to increase financial literacy in my community and to help educate the public on the role banks play in our society.

**Please nominate only one key banker per city. If you have branches in more than one city and nominate more than one key banker, please use a separate copy of this form for each key banker.**

If you choose not to participate, please mark "NO," fill in your name and bank name, and return this form to TBA.
