DCA Dining

2010 Dining Meal Plan & Dining Meal Card Pricing Information

At DCA, we are always striving to deliver a high-quality dining experience for your child, while making sure we are not a burden on the checkbook. This also means understanding the needs of your child and how they may differ from others. To address this, we offer three options to make lunchtime flexible, valuable and convenient: The Semester Plan, Meal Card or Cash.

FLEXIBILITY

With the Semester Plan, your child is guaranteed a full meal every day without the hassle of cards or carrying cash. Based on a tiered pricing and portion structure, the student's meal increases as their grade level increases with only minimal raises in cost.

The Meal Card is ideal for those students who do not want a full meal every day. They can purchase items off the A La Carte Menu to create a meal, enhance a meal brought from home or for a quick snack. Cash balances roll over semester to semester and year to year as long as your child is enrolled at DCA.

VALUE

The Semester Plan is a great value for the student who buys lunch in the cafeteria daily. This plan is priced to save on average when compared to the daily cash a la carte prices and ensures a well-balanced meal.

CONVENIENCE & SAFETY

The Semester Plan and the Meal Card eliminate the need for your child to carry cash to school. For the Semester Plan, your child's card is read at the register as they go through the lunch line and the process is simple and quick. The Meal Card is kept in the cafeteria at the register station (for the younger students) ensuring that your child does not lose it or forget to bring the card to school. As they go through the checkout, your child's purchases are subtracted from the card balance. A Meal Card can be purchased in addition to the Semester Plan for any additional items or treats beyond the options offered for the Semester Plan.

As a further convenience, you may purchase a Meal Card for any amount, with a minimum of \$10.00. You can be notified when your child's balance gets low, allowing you plenty of notice to add money to your child's account, if we have your contact information. On the included Enrollment Form, please indicate how you prefer to be notified by filling in the your telephone number or e-mail address. Meal Card payments can be made in either cash or by check at any time.
