

Demographics, Billing, and Results (Reports) Interfaces connect your ReDoc Suite to virtually any vendor who uses an HL7 industry standard or an established custom interface.

For more technical details about how this interface would work for your specific environment, please contact a sales representative at 888-401-4400 Ext. 1111.

Vendors with whom we have interfaces:

<u>Most Common Clinic Systems</u>	<u>Most Common Hospital Systems</u>
PTOS Eclipse-Galactek DB Consultants Pearle Computer Medisoft (via XLink) Lytec (via XLink) Misys IDX Centricity / GE SpectraSoft	McKesson/HBOC Cerner Meditech (direct and via Iatricis or TSG) Siemens HMS Healthland (formerly Dairyland) CPSI HMA SMS Eclypsis Keane
