

Donelson Christian Academy ATHLETIC BOOSTER CLUB BRIEF

'ABC' Supports All DCA Athletic Ventures

DCA's Athletic Booster Club (ABC) exists to support DCA athletes and our athletic facilities. This is accomplished primarily through volunteer work and fund-raising efforts.

At May's ABC board meeting, we expanded on our support of the pending baseball field renovation. In addition to the \$10,000 previously committed for this project, ABC will provide up to an additional \$10,000 to ensure its successful completion. This project may not begin until

May 2008.

Also just approved is a funding request to replace the inadequate irrigation system for our football field. The ABC board agreed to provide up to \$5,000 for this important project.

Finally, we're excited about our opportunity to recognize the achievement of Michael Yokosuk in winning the TSSAA Tennis Singles State

Championship! Michael's accomplishment will be acknowledged with a banner and championship ring!

Join us for our next meeting on July 19 at 7 PM.

Congratulations to DCA Junior Michael Yokosuk, TSSAA Singles State Champion!

Mark Your Calendar!

- June 24-July 7...TSSAA Dead Period
- July 26-27...White water trip to Ocoee
- July 29...Annual Picture Day, 2 PM
- July 30...Midnight Madness kicks off at 12:01

- Aug. 14...Scrimmage vs. Collinwood, time TBA
- Aug. 18...Wilson Central Jamboree vs. BGA, 5:30
- Aug. 24...(First game) vs. Westmoreland, Home.

Donor Wall Contributions Continue

Our Donor's Wall of Fame (construction and stone facing courtesy of Centurion Stone) looks right at home in front of Mary Belle Melvin Field. Look for additional

architectural signage coming soon that identifies the field.

Please keep in mind that bricks are still available with your

contribution. Recent addi-

tions to the wall include Ken and Linda Willey (Home Run level) and Mary Belle Melvin (Fans Level) plus 15 more bricks not previously completed.

Purchase your brick with a contribution to this year's Annual Fund. Mail your check to DCA today!

Barry Brooks Exploring Counter Replacement

Barry Brooks with Centurion Stone is checking some possible contacts at local home stores for discounted or damaged counter surfaces. We hope to find something suitable to replace the badly deteriorating outside counters on our concession stand. This was a project

that was first discussed last year, but other priorities kept getting in the way. The ABC board got this on the agenda early this year in order to give everyone time to make it happen. If you have sources that might be helpful, please contact Barry at: 256-6695. And

when you talk to Barry, remember to thank him for the great support he's shown by donating the stone facing on the football stadium bleachers, as well as the construction and stone facing on the Donor's Wall of Fame in front of the softball complex.

A Little Team Work Needed!

- The remaining bleacher seat backs must be installed this summer. A work party will be announced soon.
