

NaCoMe Conference Center – 2011 Thanksgiving Rates

Welcome to Thanksgiving week at NaCoMe! Listed below is some helpful information for your stay. Please also take a moment to review the Facility Use and Safety Information posted in your cabin with your group.

Just a few points of FYI during your stay:

- You are welcome to build a fire in the fire place of your cabin (if it has a fireplace). Wood is available on the porch of your cabin. If you require matches please see a NaCoMe staff member or inquire for some at the kitchen. If you need more wood than what has been provided for you on the porch of your cabin you may go to the rec hall wood stack to get more for your needs.
- You may see that NaCoMe has a climbing tower/zip line and low ropes area. While you may go visit these areas, these areas **will not be open**. Please take caution that **the Tower & Low Ropes area is NOT a playground and no one is allowed on the tower or any of the low ropes elements without a NaCoMe Facilitator.**
- If you would like to use the boats and canoes at the upper lake, please let a staff member know. **Everyone (adults and kids) must wear a life jacket when boating.** All children under the age of 16 must be accompanied by a responsible adult 21yrs. or older.
- Swimming will **not** be available during your stay! **Please stay off the dam.**
- If you would like directions to hiking trails please see a NaCoMe staff member.
- Please remember to park in areas that are across from your cabins and not right in front of the porches on the camp roads in front of your cabin. This is a fire lane and needs to be kept clear.
- **No pets** are allowed on the property for liability/insurance reasons and for the safety of all who come.

Please let a staff member know if we can be of any assistance during your stay with us. Have a blessed stay and a Happy Thanksgiving!
