Tennessee Road map scavenger hunt

- 1) On the map, what is the scale? In other words, how many miles equals one inch?
- 2) What interstate crosses Tennessee from west to east?
- 3) If I'm heading northeast out of Chattanooga on Interstate 75, at about what mile marker will I find a state-owned rest area?
- 4) In what time zone is Cumberland County?
- 5) What are the number of the two main interstate exits that people use from Interstate 40 to get to Brownsville?
- 6) What highway takes you from Huntington to Dresden?
- 7) What is the population of Chester County?
- 8) What Tennessee county has the highest population?
- 9) In what county is Reverie, Tennessee? What is it that makes Reverie a strange place?
- 10) What is the county seat of Scott County?
- 11) What river runs past Carthage?
- 12) How far is it from Nashville to Knoxville?
- 13) How far is it from Pikeville to Dunlap?
- 14) Look at Highway 165, which goes through Monroe County. You think this road is through flat land or mountainous land?
- 15) What is the elevation of Clingman's Dome (in the Great Smoky Mountains)?
- 16) What number are you supposed to call if you find a mistake on this map?
- 17) If you had to drive from Springfield to Ashland City, what route would you take?
