

Saint Thomas Science Scholars

**Applications Now Being Accepted for
2010-2011!**

Be one of the select students in this challenging program sponsored by PENCIL Foundation and Saint Thomas Hospital. Health care professionals – including doctors, nurses, and emergency medical technicians – will lead exciting, hands-on sessions to introduce you to the many facets of health professions and health care.

Eligibility:

- Currently enrolled in Metro Schools honors class in 9th grade
- Successfully completed Honors Biology by June 2010
- Interested in learning about careers in healthcare
- Demonstrate a curiosity about science
- Committed to attend 6 Saturday sessions at Saint Thomas Hospital during the 2010-2011 school year

Applications are available: biology teachers
