

GOLD Stars, an acronym for **Greater Opportunities for Learning Daily**, is a before-and-after-school program that, with the support of the school, parents and community, provides a safe haven for students where they can improve themselves academically, socially, emotionally, and physically. Community volunteers and organizations deliver an array of enrichment activities at 7 selected sites.

GOLD Star Activities

There are a number of enrichment activities that a volunteer can do. Here are some examples:

- Tutoring in reading or math
- Engaging students in arts & crafts
- Providing career presentations
- Assisting with physical activities
- Playing games
- Reading books
- Helping students learn about school safety

- Volunteers are needed as homework helpers Monday and Tuesday mornings, 7:30 – 8:30 a.m. at middle schools
- Volunteers are needed at both elementary and middle schools to plan and engage in enrichment activities after school
