

# The Johnny Counterfit Show

## Bio

### Version #1

#### About Johnny Counterfit

Seeing the name makes one think of something not real; seeing the show makes one feel they are seeing something “unreal” as in extra special. Live concerts, radio, television, film, and video, presents this performer as a unique’ artist, blending nostalgia with current comedy, music, and political satire unlike anyone else in show business.

As a comedian, he makes the audience roar with laughter, as a singer and impressionist, he takes the audience back and forth between the time periods of their lives. When using his own singing voice, on songs he has written, the audience experiences originality in heartfelt ballads, songs of inspiration, and “100-proof” country music.

### Version #2

Get ready to laugh, and sing, as comedian/impressionist, *Johnny Counterfit* presents his voice impressions of singers, actors, and politicians, in CLEAN comedy, political satire, and country music. Current and nostalgic content.
