**ABOUT HNI**

**H**istoric Nashville, Inc. (HNI) was originally chartered in 1968 as “The Historic Sites Federation of Tennessee.” In 1975, the name and mission changed in response to the urgency of threats to historic landmarks in Nashville. The nonprofit 501(c)3 organization became “Historic Nashville, Inc.” with the mission to preserve and maintain architecturally significant and historic places throughout Nashville and Davidson County.

Over the years, HNI has successfully advocated for the preservation of many downtown landmarks, including the Ryman Auditorium, Union Station, Shelby Street Bridge, Arcade Post Office, and the Second Avenue, Printer’s Alley, Lower Broadway, and East Nashville historic districts. In 1982, HNI established the state’s first Preservation Easement program and currently owns easements on 16 historic landmarks with a market value of over \$30 million. HNI hosts an annual membership meeting, publishes a newsletter, maintains a website, hosts educational programs and special tours, and recently launched the annual “Nashville Nine” endangered properties list.
