

GALLATIN PUBLIC AFFAIRS Practice Group Overview

SUSTAINABLE DEVELOPMENT & LAND USE

Most new developments – urban, suburban, rural or recreational – face opposition or controversy. With careful planning, a focus on sustainability, and a respect for public input, new development and environmental stewardship can go hand-in-hand. Our understanding of the political process combined with our knowledge of sustainable development will help you succeed where others fail.

EXPERTISE

- Years of collaborative environmental advocacy
- Proven ability to partner with planners, engineers and attorneys
- Knowledge of sustainable design and development
- Public involvement and communication management
- Government relations in 10 Western states (WestNet)

SELECTED CLIENTS

- North Shore Ranch - Flathead Lake, Montana
- Glenmont Windward - North Marysville, Washington
- Hawkins Company - Whitman County, Washington
- Ridgeline Energy - Eastern Idaho
